Ohio Learns 360 Camps-in-a-Box

Are you involved in an Out-of School Time (OST) program? Camp-in-a-Box is FREE and is designed for OST providers such as after school daycares, summer camps, libraries, and community centers. Each box contains in-person camps geared toward K-2 and 3-5 grade bands. Aligned with Ohio content standards, the camps are based on PBS Kids programming that kids know and love. The camps address literacy; math, STEM, and Social and Emotional Learning (SEL). A facilitator's guide and all activity supplies accompany each Camp-in-a-Box, and each includes flexible lesson plans, media assets, extension activities and home connections. A short training is provided FREE of charge by WGTE Public Media staff.
